

Advanced ear cleaning for dogs, cats and rabbits

---

**Omniotic** is a non-irritating solvent for ear wax. It effectively removes debris accumulated within the ear and is deodorising and drying, providing good hygiene for the external ear.

### 120 ml bottle with flexible nozzle

#### Composition

Water .....	674.54 g
Oronal LCG (PEG-40 Cocoa glyceryl) .....	20.00 g
Propylene glycol ph. eur. ....	89.00 g

Propylparahydroxybenzoate .....	0.20 g
Blue dye C3087.....	0.01 g

Omniotic's unique formula has anti-fungal and anti-bacterial properties and benefits from ingredients that support the body's inflammatory system and the skin's natural healing ability.

#### Directions for use

##### Shake well before use

Apply Omniotic directly into the ear canal. Massage gently at the base of the ear for a few seconds to obtain good diffusion of the product.

- Routine cleaning: Apply once or twice per week.
- Excessive earwax or unpleasant odour: Apply daily for 8 days, and then apply every 2 or 3 days until regularised.
- Other situations: Always after bathing or extracting hair from the ear.

#### Precautions

Do not apply in cases of perforation of the eardrum.

#### Keep out of the sight and reach of children

Store in a cool, dry place.
