

CALENDAR

2020

A REFLECTION

With preparations for Britain's exit from the European Union, moving Apiguard production to Italy and of course Covid-19, 2020 has been the most extraordinary year in Vita's history. As we look forward to a successful and less challenging 2021, we extend heartfelt thanks to all our customers for your incredible support during this difficult period. Thanks to your understanding and flexibility, we have coped with the many challenges of the past year and become even stronger and more enthusiastic about caring for your bees. From all at Vita Bee Health, THANK YOU!
